

ACT Preparation Seminar

**To be held at:
Fort Zumwalt North High School
Wednesday, September 24
and
Thursday, September 25
6:30 p.m. to 9:00 p.m. daily**

North High School has arranged a 5-hour ACT prep seminar to help students become familiar with the test, relieve test anxiety and stress, and help those students who need to improve their scores for college acceptance, scholarship eligibility, or other academic and career opportunities.

ZAPS Seminars has developed a seminar to assist students and help them prepare for the ACT. Participants gain insight into the ACT through a close examination of each type of question. The seminar teaches students the strategies necessary for attacking the types of questions the tests will cover as well as providing general test-taking tips.

Students become familiar with the form and content of the ACT, including practice on the writing section. They will learn tactics and strategies for dealing with each section of the test. A detailed study guide will be provided with explanations of the correct answer for each practice question and 27 practice workouts. A study guide will also be provided.

The fee for the five-hour seminary is \$75.00, which also includes all materials. For further information, please contact Ginger Pisarik or Joyce Gish at North High School, at 636-272-4447.
