

## SMILES MEAN THE SAME IN EVERY CULTURE

Unity in diversity--a lofty goal. At Pheasant Point Elementary, we strive to exemplify the values that our great country was built on. The original motto of the United States, "E pluribus unum," actually means, "Out of many, one." It is heartwarming to watch our students live out this motto each day. Pheasant Point's student body is unique in that it is made up of students who were born in a number of different countries! Our students have the priceless opportunity to regularly interact with students from around the world!

Target Corporation awarded Pheasant Point a \$1500 grant to help promote and celebrate the unique diversity we have in our school.

*"It is not in numbers, but in unity that our great strength lies." Thomas Payne – American Revolutionary*
